Hankham Village Society

The Hankham Village Society was founded in June 2017 and now offers the following:

- A website – www.hankhamvillagesociety.org - with information on the events and activities carried out under the auspices of the Hankham Village Society.
- All village events, which we will be looking to put on 3 or 4 times a year;
- Activity Groups, at the moment comprising: book club – although there is a waiting list due to limits on numbers; coffee mornings, where between 6 to 10 people gather at someone's house to have coffee and tea and chat; fitness, currently running a Monday evening pilates class, but looking to diversify; gardening; walking; and wine tasting/gin appreciation. More information on the various activity groups are to be found on the website;
- The Hankham Village Directory, a directory of members who have opted to be included with their contact details, circulated to all those members included in the directory. More information on the Hankham Village Directory and forms are to be found on the website.

Over time, we would like to expand the number of activities carried on. So what interests you? And would you be prepared to lead a group or activity?

Membership is per household (up to a maximum of 6 persons per household) and membership has been set at £10.00 per year or part of a year. The Membership Year runs from 1st April to 31st March the following year. The Membership will allow you to participate in the activity groups, and give you discounts on tickets for events. It will also allow you to receive information by email.

If you are interested in becoming a member, please complete the form overleaf and return it to:

- Hankham Village Society, The Dog House, Hankham Street, Hankham, Pevensey BN24 5AY; or
- scan in and email to info@hankhamvillagesociety.org.

Our email address for any questions, suggestions or a desire to make contact is info@hankhamvillagesociety.org.

Don't forget to state which activities you are interested in. Notice of activities is sent in advance to those on the relevant activity mailing list.
